Disability Journal

[Learn More](#)

Disability Journal is a use tool that will help collect, track and share and current information your current disability health issues. The Disability Journal has proven to be an invaluable lifesaver providing an overview of your history to the medical professionals who assist with your health. The Disability Journal will help you obtain specific information via out forms at an appointment with a new physician or facility. The Disability Journal tracks your personal health and the format presents to assist you in monitoring your disability(ies), or other concerns. You may choose to take your Disability Journal with you to all Veterans Affairs (VA) appointments, or visits to see a health care provider. The Disability Journal is designed to provide medical professionals with concise and easily accessible details of your health in an emergency or in circumstances that may be related to your health.
