Buy a Brick, Support CFP

Our brick walkway is being installed very soon but it is never too late to buy a brick to support the renovations at the Hall. Get creative - anything is possible.

Showcased here is a double 8x8 brick with a custom design from Allen's Wine and Spirits in Portsmouth.

A standard size brick, 4"x 8", is \$200. 8"x8" bricks are \$400. All brick purchases are tax deductible and go toward renovating the Community Hall. Email Conley with questions: conleyzani@me.com or call 401-484-3972.
